To Whom It May Concern:

Our office is requesting an extension for the complaint (MUR#5588) dated November 4, 2004.

Due to the busy times during our recent election and the Thanksgiving holiday we are requesting an additional 30 days to respond to this complaint. I received this complaint on November 11, 2004 and need additional time to respond with counsel.

Any additional information needed for this request please do not hesitate to contact me.

Sincerely,
